

## ARMY DAY - April 6

# STRENGTH

# ... TO SEE BEYOND TOMORROW

Enduring peace is the product of cooperation. But weakness cannot cooperate; it can only beg. That's why it is so important that we keep this nation strong.

Army Day . . . April 6th . . . is the day every one of us can reaffirm our faith in a strong, peaceful America. It is the thing we should turn our attention to . . . those patriotic citizens who have pledged themselves to protect America and preserve the Peace.

These are the men of the Regular Army, the National Guard, the Organized Reserve Corps and the R. O. T. C. You can show them that they have your interest and support by visiting the special exhibits and attending special Army Day events.
